PROJECT NAME	AI –POWERED NUTRITION ANALYZER FOR FITNESS ENTHUSIASTS

[illegible]

The screenshot shows a web browser window with the title 'Nutrition Image Analysis'. The browser's address bar shows a local file path. The application interface has a light green header with 'Home' and 'Classify' links. The main content area has a light green background with a wooden texture and images of blueberries and white grapes. It contains two sections: 'Choose an image to classify' with 'Upload' and 'Classify' buttons, and an 'Output' section.
